***Subject: I-93/Route 110/Route 113 Methuen Rotary Interchange Modification  
NEPA Class of Action Determination***

Dear Mr. Tramontozzi:

We have reviewed MassHighway Department's request for official guidance regarding class of action under the National Environmental Policy Act (NEPA) for the above referenced project. Based on the information provided in the letter and during previous coordination, we agree that the appropriate documentation for this project should be an Environmental Assessment to address NEPA requirements.

Please contact Damaris Santiago at (617) 494-2419 should you have any questions. We look forward to the further development of this project.

Sincerely yours,

Lucy Garliauskas  
Division Administrator
